

Plant Power

WHY PLANTS?

C2 is harnessing the power of plants. We carefully select plant species and safely extract the riches and most active ingredients for our skincare.

WE ARE PROUD TO BE EWG VERIFIED!

What does that mean?

EWG = Environmental Working Group

EWG Verified = Our products meet EWG's strict criteria for health and safety.

You can feel confident that C2 products won't compromise your health for beauty.

Check your products health rating at EWG.org.

Age Smarter

WHO WE ARE

C2 California Clean is a women-owned business with a mind for progress and innovation in skincare. Founded in California by a team of healthcare professionals, we knew we could develop products that were clean, fresh and safe for our friends and families.

OUR PHILOSOPHY

We believe nature provides the purest and most effective ingredients for our daily skincare needs. Our goal is to create skincare that will beautify but won't compromise your health.

BEAUTY IS MORE THAN SKIN DEEP

We want natural products to promote healthy skin. Aging smarter means being more aware and educated about what you are putting on your skin and body.

The Simple Steps

Morning	Primer	Serum	Cream
Night	Primer	Serum	Oil + Cream

1

PREPARE

Cleanse your skin to remove pollutants, oil and debris.

2

REPAIR

Nourish your skin with a serum to add in nutrients, anti-oxidants and stimulate collagen production.

3

PROTECT

Moisturize your skin to lock in hydration with oils or creams

- No Parabens
- No Fragrance
- No Petroleum
- No Animal Testing

Made in the USA

1

PREPARE

**ADVANCED
HYALURONIC
HYDRATING
PRIMER**

Potent, yet gentle, oil-free hydrating primer helps with resiliency, elasticity, firmness and fine lines. Skin will feel refreshed and revitalized.

KEY INGREDIENTS:

Hyaluronic Acid is an excellent moisture-absorbing ingredient that pulls in moisture and locks it in the skin.

2

REPAIR

**APPLE STEM CELL
REGENERATING
SERUM**

Powerful activating serum with apple stem cells stimulates collagen production, nourishes and repairs lower layers of the dermis and aids in new cell formation.

Apple Stem Cell helps with regeneration and preservation of skin cells.

Hyaluronic Acid is an excellent moisture-absorbing ingredient that pulls in moisture and locks it in the skin.

3

PROTECT

**ULTRA
REPLENISHING OIL
SQUALANE + VIT E**

Extra-nourising face oil moisturizes and revives the top layer of dry, aging skin. Squalane oil from olives, blended with vitamin E help replenish and restore your natural glow.

Squalane from olives helps hydrate and shield the skin.

Vitamin E Oil is an excellent moisturizer and a powerful antioxidant that can neutralize the oxidative stress caused by free radicals.

+

**CITRUS STEM
CELL INTENSE
MOISTURE LOCK**

Cutting edge fruit stem cell bioactive cream delivers intense moisture to help repair, regenerate and lock in the hydration your skin needs.

Citrus Stem Cell help protect cells from free radicals and increase the ability to generate new collagen.

Squalane from olives helps hydrate and shield the skin.
